

better brows

If you love bold, beautiful brows, the Brow Babe Kit from Billion Dollar Brows has it all. The kit contains an exclusive mix of Brow Boost to help strengthen and thicken your brows, Brow Powder to enhance your brow line and give a beautiful natural finish, and silky Brow Gel to lock in your look. The angled brush easily applies and blends the powder to perfection. billiondollarbrows.com

healthier skincare

If you're equally concerned with what goes on your skin as what goes in your body, you want only the most natural and essential ingredients. Using only what is essential, effective and safe, Terralina products are rich in antioxidants, such as olive oil, olive leaf and white tea, to combat the damaging effects of free radicals. terralina.com

new year, new smile

Cosmetic dentists see a flurry of eager patients this time every year determined to meet at least one goal in the new year—perfect teeth! Manhattan dentist Dr. Marc Liechtung has transformed some of the most offensive smiles into works of art. After seeing a genuine need for a more instant and affordable smile makeover, Dr. Liechtung invented what is now known as Snap-On Smile. Find a list of Snap-on Smile dentists snaponsmile.com.

affordable haircare

If you want serious styling for just \$3.49 a product, the new VO5® Extreme Style line offers a full range of hair care from humidity resistant mousse and 24-hour reworkable putty to ultimate hold gel and sprays.

shades of grapes

Lydia Mondavi, of the iconic wine family, harnesses her extensive winemaking, spa development and skin care expertise to develop 29 Cosmetics, her luxury, grape seed age-protecting color line. Long-lasting antioxidant-enriched I-BLOCK Eye Shadows with grape seed extract nourish and protect the eyelids from environmental pollutants and the harmful effects of free radicals. 29cosmetics.com

bee-autiful lips

The secret behind LypSyl™ is pure Swedish beeswax, and now Europe's premier lip balm is available in the U.S. in five formulations, each designed for a specific lip care need. What's more, the unique packaging offers features such as one-hand application and a flexible applicator tip.
